

Cell Phone Use Policy

Ascension School cannot be responsible for personal property of students, so electronic devices should not be brought to school. However, if a student carries a cell phone, it must be out of sight at all times. The phone must be turned OFF (not mute or vibrate) in the school building during the school day. Students may use phones on field trips or in the building after school hours with the permission of a teacher or another adult in authority. Students are forbidden to use cameras/photography of any kind in locker rooms, bathrooms or changing areas.

The school will take possession of devices that are in sight, "ON", or used inappropriately. Parents/Guardians must retrieve confiscated items. Students who violate the policy repeatedly may face additional consequences.
