

Ascension School Mission Day

55 years of children helping children through the Missions

February 1, 2012

Ascension Families,

Mission Day is just a couple of weeks away. Please help by sending in your child(s) forms and volunteer to work if possible. Many shifts are still available especially needed are morning shifts and take down/clean up. Your participation is crucial in making this a wonderful memory for the students. The raffle tickets are now available and the partial raffle prize list is now posted. All prizes are geared towards children or families. This Friday is the scheduled deadline for all forms. Please get them into the school office as soon as possible.

RAFFLE:

The 25¢ Raffle is loaded with wonderful toys, books, and other games. The Big Ticket prize is an 8GB iPod Nano. Raffle sheets are available at the school office or on the web site. Keep selling those raffle tickets. The top raffle-seller receives a \$25 gift certificate and the class that sells the most tickets gets a special classroom party.

BAKERS:

Dust off those baking pans--we still need bakers for both the Pastry Booth and the Cake Walk. Last year we had more than 100 cakes made and none were left over!
REMEMBER, NO NUT PRODUCTS IN EITHER THE CAKE WALK OR THE PASTRY BOOTH!

VOLUNTEERS:

Please send in your volunteer form. Each shift is approximately 2½ hours. We need at least 50 volunteers for the morning as well as afternoon. If you cannot take work off then please consider setting up on Thursday night or cleaning up on Friday afternoon.

The number of volunteers will determine the amount of games and fun for your children! A schedule of all volunteers will be available the week of February 13th. The deadline for this form is Friday, February 3rd.

ATTENTION: EIGHTH GRADE FAMILIES

It has been the tradition for the past ten years for the parents who's youngest and/or only children are graduating this year to make a special donation to the raffle in honor of their child's last Mission Day. The gift may be a monetary contribution or an in-kind donation. Deadline for this donation was Monday, January 30th. Checks may be made out to "Ascension School Mission Day" and sent c/o Mission Day 8th Grade Donation.
